We carried over \$2100 from 2007. With the addition of dues, we are beginning the year with \$6,347.29 (which more than covers the 2008 budget).

The time/cost breakdown for Bookkeeping and Treasurer duties equal approximately \$400 from ClayFest and \$400 from Local Clay. Susan said that this estimate may be high. The Treasurer job is still open. Susan will train her replacement.

Rhoda moved that we accept the budget. Paula seconded.

We need to find someone to head the Scholarship Committee.

Kay suggested that we each write up a job description for our office.

The meeting adjourned and we enjoyed the potluck.
